

Our Mission Statement

The Rochford Day Nursery is all about your children's happiness and well being. We provide excellent care for your children from birth until 5 years, in a friendly caring environment. We aim to develop children's social skills, learning, encouraging independence and most importantly making it fun.

Our premises

Rochford Day Nursery is conveniently situated at 2-4 Ashingdon Road, Rochford. It is within 1 minute walk to Rochford mainline railway station. It was previously used as the Rochford Church Hall and more recently as a day-care centre for the elderly.

We are open 52 weeks of the year and our opening times are
7:00am - 18:30pm daily

Michael (The Proprietor)

I have two daughters, Georgia and Abigail. I was in a situation where Georgia had gone to nursery and I felt sympathetic to families leaving their children in Nurseries also. So I decided to open my own nursery so that I could adapt to the needs of individual families and parents. I have a diploma in Pre-School practice.

I regularly visit the nursery to ensure that the support and resources are available to provide the highest possible quality childcare for your children.

Staff

The nursery is senior managed by a qualified Early years professional. The Manager of the setting is Michelle Weller. Our staff have a level 3 qualification or above in childcare and the management team are all qualified to a level 3 or above, also consisting of another qualified Early Years Professional. All of our staff have First Aid training and we also keep up to date with all the necessary training.

Ratios

The Baby Room – The ratio in this room is 1 staff member to 3 babies and children are usually in this room from birth until their 2nd birthday.

Toddlers Room – The ratio in this room is 1 staff member to 4 toddlers. Children are usually in this room from their 2nd birthday until the term after their 3rd birthday.

Pre-School Room – The ratio in this room is 1 staff member to 8 children. Children are usually in this room from the term following their 3rd birthday until they are ready for school.

We send home daily sheets with the children so you will be able to see who has looked after them. This information will include what they have been doing, what they have eaten, if they have had a sleep, how many nappy changes etc.

Our Learning Objectives

There are four guiding principles that shape practice in our setting, these are:

- Every child is a **Unique Child** who is constantly learning and can be resilient, capable, confident and self-assured.
- Children learn to be strong and independent through **Positive Relationships**.
- Children learn and develop well in an **Enabling Environment**, in which their experiences respond to their individual needs and there is a strong partnership between us and parents and/or carers.
- **Children Develop and learn in different ways and at different rates**. We respect children as individuals.

The Early Years Foundation Stage emphasises 7 areas of learning.

- Communication and Language
 - Physical Development
- Personal Social and Emotional Development
 - Literacy
 - Mathematics
- Understanding the World
- Expressive Arts and Design

For more information please ask one of our staff.

We believe in access to all, and all children are treated equally. No child will be disadvantaged because of his/her race culture, beliefs or physical needs. Our aim is that all children enjoy their time with us and leave to go to school as happy, confident and sociable with a sound knowledge that will set them up for full time school.
